

TESTS TO BE DONE BY THE STUDENT FOR – BELARUS - MBBS/MD

With regard to the physical fitness certificate, the following points should be adhered.

- a) To undergo medical tests i.e., CBP, ESR, Mantoux(TB) test and HIV test.
- b) Should necessarily be taken from Govt. hospital & Govt. Doctor (PG cadre).
- c) Should compulsorily mention Height, Weight & HIV test result.
- d) The Doctor should certify that the student is both physically and mentally fit.

Note:

- All the test reports above should be carried with the student when travelling to university.
- Physical fitness certificate should be provided in prescribed format duly stamped and signed by Govt. Doctor of PG cadre.
- The photo should also be stamped & signed by the Doctor.

Physical examination record is not compulsory at the time of admission. It is compulsory for obtaining their invitation and visa processing.
